Dear Business Owner/Representative,

Thank you so much for your consideration in becoming a sponsor of Lago Vista Soccer Club. We are now in our 5th season offering the youth in our community the opportunity to grow and compete through soccer with their friends and fellow students.

We are a registered 501(c)(3) Texas Nonprofit Corporation. As a non-profit, your sponsorship is critical for our league's continued growth as we support the youth and families in our community. Without our league, parents of Lago Vista and Jonestown are required to drive to Cedar Park, Leander, or beyond, to participate in youth recreational soccer. We are truly proud of all who volunteer, coach, and support Lago Vista Soccer Club.

As a financial sponsor of our nonprofit organization, we will provide your business with the appropriate written documentation you need to file for your taxable/charitable donation purposes at the end of the calendar year.

With your sponsorship, we will be able to fund day clinics, provide scholarships for those needing financial assistance, and marketing material for our growing community. In addition, we are considering ways we can help give back in supporting our city build more playing fields.

We look forward to your partnership as we build the sport skills and character of Lago Vista's youth.

Regards,

Lago Vista Soccer Club Board
